I voted for the calling of a convention because I believed the committee had the power to make such a call, and have always believed whenever it was possible the whole people should share in all matters pertaining to the public

welfare. I would also state that at the May meeting the request to the state committee as it came originally from the committee appointed to draft it, asked for the holding of a primary or a state convention, and that part asking for the holding of a primary was stricken out, it being generally held that the committee had not the power to grant

CAROLINE COURT

It did not look like Caroline court at Bowling Green Monday. The crowd To Bridge Aquia Run Personal and Ochor present was the smallest we ever saw here. It rained all day and the planters staved home and set out tobacco plants. The only matters of interest transpiring was the qualifying of the newly-elected officers. The auctioneers were without a vocation; they could not even get up a land sale.
